

Certificate in Cyber Laws
(Version 2008)

Prospectus (CCLP)

Certificate in Cyber Laws For Professionals (CCLP) from Cyberlawcollege is a Course meant to provide an in-depth understanding of Cyber Laws as applicable in India.

Who should take this Course?

This course is meant for E-Commerce Professionals, Law Students, Business Management Students and Legal professionals who would like to specialize in Cyber Laws. Engineers, Company Secretaries and Chartered Accountants who want to qualify as CyLawCom Examiners may also take the Course and later appear directly for the Qualification Examination for "[Certified CyLawCom Examiners](#)"

Entry Criteria:

The Course is recommended for graduates in any discipline. However considering the demand from the student community, the Course is made available for Under graduate students as well.

Before taking up the course, students are requested to study the Course contents and decide their own requirement and capability for timely completion of the course.

Management:

All correspondence should be addressed to Na.Vijayashankar, the Director of Cyber Law College either by e-mail at clc4india@gmail.com or naavi@vsnl.com or at the address of the College.

How the Course is Conducted:

- The Course will consist of lessons on various topics relevant to Cyber Laws delivered through e-mail. Back up copy will also be provided in print.
- The Course is normally expected to be completed in 4 months.
- Students will be admitted in weekly batches.
- Interaction will be provided basically through online Chat sessions.
- Copies of the answers and the comments would be returned to the students through e-mail.

-Individual queries would be addressed through e-mail and a private Chat with Naavi.
